land withdrawn solely under the authority of section 17(d)(1) of ANCSA.)

§ 2568.111 What if BLM decides that I qualify for land that is in the category of Federal land that BLM cannot convey?

BLM will notify you in writing that you are eligible to choose an alternative allotment from lands described in section 2568.110.

§ 2568.112 What do I do if BLM notifies me that I am eligible to choose an alternative allotment?

You must file a request for an alternative allotment in the Alaska State Office as stated in section 2568.71 and follow all the requirements you did for your original allotment application.

§ 2568.113 Do I have to prove that I used and occupied the land I've chosen as an alternative allotment?

No. If BLM cannot convey the allotment for which you originally apply, and you are eligible to choose an alternative allotment, you do not have to prove that you used and occupied the land in the alternative location.

§ 2568.114 How do I apply for an alternative allotment if the CSU manager determines my application is inconsistent with a CSU?

You should contact the appropriate CSU manager as quickly as possible to discuss resource concerns, potential constraints, and impacts on existing management plans. After you do this you must file a request for an alternative allotment with the BLM Alaska State Office as stated in section 2568.71 and follow all the requirements of the original allotment application. If the alternative allotment land is also in the CSU, the CSU manager will evaluate it to determine if conveyance of an allotment there would be inconsistent with the CSU as well.

§ 2568.115 When must I apply for an alternative allotment if the CSU manager determines my application is inconsistent with a CSU?

Your application for an alternative allotment must be filed:

(a) Within 12 months of when you receive a decision from a CSU manager that says your original allotment is in-
